

Advancing the Science on Recovery Community Centers: Seminar Series

Seminar 8

Title:

RCCs in Context: The Importance and Challenges of RCC Community Engagement

Presenter:

Amy A. Mericle, Research Scientist in the Alcohol Research Group at the Public Health Institute; Chad Sabora, Executive Director of MoNetwork; Marc Johnigan, Executive Director of Twin Cities Recovery Project (TCRP)

Date:

Friday, June 11, 12:00 PM ET

Description:

In this seminar, the first in a two-part series on the topic of community engagement, Dr. Mericle will highlight the critical role that RCCs play in the communities in which they are located as well as on common challenges faced by providers of community-based recovery support services. Additionally, directors of two RCCs will discuss their role in their community, how the community has responded, and what has been most helpful in forging strong alliances in the community.
